11. Prohibited Activities

Without limiting the Acceptable Use Policy, you must not:

- 11.1 Break any applicable law, regulation, or third-party right while using the Service.
- 11.2 Manipulate, exploit or attempt to game the practice-money, practice-market, ranking, reward or leaderboard systems, including through bugs, multiple accounts, or automation.

12. Community Guidelines & Code of Conduct

- 12.1 Where the Service offers community, social or interactive features, you must follow our Community Guidelines, which set the standard of conduct we expect of everyone who learns here.
- 12.2 We may moderate, remove or restrict content and participation to keep the community safe, fair and honest, in line with those Guidelines and the Acceptable Use Policy.

13. User Content & Licence to Us

- 13.1 You retain ownership of the User content you submit. You are responsible for it, and you confirm you have the rights necessary to share it and to grant the licence below.
- 13.2 You grant us a worldwide, non-exclusive, royalty-free, sublicensable licence to host, store, reproduce, adapt, publish and display your User content, solely to operate, promote and improve the Service. This licence ends when you delete your content or Account, except for content already shared with others or

retained as required by law or for backup.

- 13.3 We may remove, restrict or refuse any User content that breaches these Terms or any policy, without notice, and may report unlawful content to the authorities.

14. Feedback

- 14.1 If you send us suggestions, ideas or feedback about the Service, you agree that we may use them freely, without restriction, obligation or compensation to you.
- 14.2 Feedback is provided voluntarily and is not confidential. We are under no obligation to use it or to keep it private.

15. Beta, Trial & New Features

- 15.1 We may offer beta, trial, preview or experimental features. These are provided "as is", may be incomplete or unstable, and may change or be withdrawn at any time.
- 15.2 By using such features, you accept the additional risk that they may not work as expected. We are not liable for any loss of virtual balances, progress or content arising from them.

16. Practice Money, Practice Market & Cash

ShareRocketPro uses a purely educational money model. Nothing in it has real-world monetary value.

- 16.1 Practice money is a virtual trading balance used to place practice trades and unlock learning content. New Accounts receive a practice-money registration bonus (currently Rs. 10,000). Although shown in Rupees, practice money is not money: it has no monetary value, cannot be withdrawn, cashed out, transferred or exchanged, and is not redeemable for real money, securities or any other thing of value.
- 16.2 Paper trades execute only in the practice market, at practice prices. Practice prices start from and loosely track real NEPSE prices, move within limits modelled on NEPSE's daily circuit, and continue to move when NEPSE is closed. They are generated by ShareRocketPro, are not official NEPSE prices, and will differ from the prices at which the same order would have executed on the exchange. Practice results therefore do not show what you would have achieved in the real market.
- 16.3 Orders in the practice market are placed in whole units (kitta) and are subject to the minimum order size and other rules shown in the Service, which we may change at any time.
- 16.4 Cash is real money that you may pay for an optional practice-money top-up or other optional in-app service; payments are verified manually. Practice money credited for a top-up is still practice money under these Terms and has no cash value. Cash paid to us does not represent a deposit or an investment and does not create any trading, brokerage or custodial relationship. Refunds, where available, are governed by our Refund Policy.
- 16.5 We may adjust, reset or remove practice money, other virtual balances, positions, practice prices or rankings - including where they were obtained in breach of these Terms, result from an error in the practice market, or as part of maintaining, changing or resetting the simulation. You have no property right in any virtual balance.

17. Optional Purchases, Pricing & Billing

- 17.1 Parts of the Service may be free, and others may require a one-off or recurring payment for optional features or services. Prices and inclusions are shown before you purchase.
- 17.2 You authorise us and our payment providers to charge the applicable amount, including any taxes, using your chosen payment method. Where a purchase is made through an app store, that store's payment terms also apply.
- 17.3 We may change prices and the features offered at any time. Changes do not affect purchases already made. Refund eligibility is set out in our Refund Policy.

18. No Investment Advice

- 18.1 The Service is educational only. Nothing on ShareRocketPro is, or should be treated as, investment, financial, legal or tax advice, or a recommendation, offer or solicitation to buy, sell or hold any security.
- 18.2 Any short-selling, intraday or similar functions that the Service may include exist only as simulated educational features that teach the underlying concepts. ShareRocketPro does not facilitate real short-selling, margin or leverage.
- 18.3 You are solely responsible for any real-world decision you make. Before making any actual investment decision, seek advice from a professional licensed in your jurisdiction. See our Risk Disclaimer and Regulatory & Compliance statement.

19. Market Data & Practice Prices

- 19.1 Market data displays in the Service - such as index values, heatmaps, screeners, sector and mover lists, scrip pages and news - show real NEPSE data from Share Rocket Pro's NEPSE data platform, which may be delayed. They are provided for education and information only and are not an official or authoritative exchange feed.
- 19.2 Practice prices used to execute paper trades are not market data displays. They are generated by ShareRocketPro as described in the "Practice Money, Practice Market & Cash" section, and are not official NEPSE prices or quotes.
- 19.3 Market data may be delayed, and may contain errors, gaps or interruptions, so it can differ from prices on the exchange at the same moment. You must not rely on it for any real trading or financial decision.
- 19.4 We do not warrant the accuracy, completeness, timeliness or availability of any market data or practice price, and we are not liable for any decision made in reliance on either.

20. Intellectual Property

- 20.1 The Service and its content - including software, text, graphics, designs, educational material, and the arrangement of them - are owned by us or our licensors and are protected by intellectual-property laws.
- 20.2 Except for the limited licence granted to you in these Terms, you receive no right, title or interest in the Service or its content, and you must not copy, modify, distribute or create derivative works from it without our permission.

21. Trademarks & Brand

- 21.1 "ShareRocketPro", "Share Rocket Pro" and our logos and brand elements are our trademarks, and "Lacspace" is a trademark of our technology partner, Lacspace Corporation Pvt. Ltd. None may be used without prior written consent.
- 21.2 Third-party names, marks and symbols - including "NEPSE" and stock ticker symbols - remain the property of their respective owners and are used nominatively for education only, with no claim of affiliation or endorsement.

22. Copyright & Notice-and-Takedown

- 22.1 We respect intellectual-property rights and expect you to do the same. If you believe content on the Service infringes your rights, follow the process in our Copyright & IP policy.
- 22.2 Send infringement notices to copyright@sharerockets.com. We may remove allegedly infringing content and may disable the accounts of repeat infringers.

23. Privacy & Data

- 23.1 Our Privacy Policy explains what personal data we collect, how we use it, and the choices and rights you

have. It forms part of these Terms.

- 23.2 By using the Service, you acknowledge our processing of your data as described in that policy. We use generic categories of service providers - hosting, analytics, SMS, push-notification, email and payment providers - to operate the Service.

24. Cookies

- 24.1 We use cookies and similar technologies to operate, secure and improve the Service, as described in our Cookie Policy.
- 24.2 You can manage non-essential cookies through the controls we provide or through your browser or device settings.

25. Third-Party Services, Links & App Stores

- 25.1 The Service may link to, or rely on, third-party services and content that we do not control. We are not responsible for them, and your use of them is governed by their own terms.
- 25.2 If you obtain the app through the Apple App Store or Google Play, the applicable store's terms also apply to your download and use. Where those terms conflict with any store-specific right they grant you, that right prevails to the extent required.
- 25.3 You acknowledge that the app stores are not parties to these Terms and are not responsible for the Service or for support, maintenance or claims relating to it.

26. Service Availability, Changes & Discontinuation

- 26.1 We provide the Service on a reasonable-efforts basis and do not guarantee that it will be uninterrupted, timely, secure or error-free.
- 26.2 We may add, change, suspend, limit or discontinue any part of the Service - including features, simulations, the practice market, practice prices and virtual balances - at any time, with or without notice.
- 26.3 We are not liable to you for any modification, suspension or discontinuation of the Service or any part of it.

27. Suspension & Termination

- 27.1 You may stop using the Service and close your Account at any time.
- 27.2 We may suspend or terminate your Account or access - with or without notice - if you breach these Terms or any policy, if required by law, or to protect the Service or other users. We may act immediately where a breach is serious, unlawful or poses a risk.
- 27.3 On termination, your licence to use the Service ends and we may delete your Account and content, subject to legal retention requirements. Practice money and other virtual balances, rankings and progress may be lost, and we are not liable for that loss. Provisions that by their nature should survive - including intellectual property, disclaimers, limitation of liability, indemnification and governing law - survive termination.

28. Disclaimer of Warranties

- 28.1 To the fullest extent permitted by law, the Service is provided "as is" and "as available", without warranties of any kind, whether express, implied or statutory.
- 28.2 We disclaim all implied warranties, including merchantability, fitness for a particular purpose, non-infringement, accuracy and uninterrupted availability. We do not warrant that the Service, its content or its market data will meet your needs or be error-free.
- 28.3 No advice or information you obtain from the Service creates any warranty not expressly stated in these Terms.

29. Limitation of Liability

- 29.1 To the fullest extent permitted by law, we and our directors, employees and providers are not liable for any indirect, incidental, special, consequential or punitive loss, or for any loss of profits, data, goodwill or opportunity, arising from or relating to the Service.
- 29.2 Because the Service is educational and involves no real money, no real trades, no official exchange feed and only practice-market prices for trades, we are not liable for any trading, investment or reliance loss, or for any real-world decision you make on the basis of the Service, its market data or its practice prices.
- 29.3 To the extent any liability cannot be excluded, our total aggregate liability to you is limited to the greater of the amount you paid us for the Service in the three months before the claim, or NPR 1,000. Nothing in these Terms excludes liability that cannot be excluded under applicable law.

30. Indemnification

- 30.1 You agree to indemnify and hold harmless ShareRocketPro, Lacspace and their directors, employees and providers from any claim, loss, liability or expense (including reasonable legal fees) arising from your breach of these Terms or any policy, your misuse of the Service, your User content, or your violation of any law or third-party right.
- 30.2 We may, at our option, assume the exclusive defence and control of any matter subject to indemnification, and you agree to cooperate with us in that defence.

31. Governing Law & Jurisdiction

- 31.1 These Terms and any dispute arising from or relating to them or the Service are governed by the laws of Nepal, without regard to conflict-of-laws rules.
- 31.2 You agree that the courts of Kathmandu, Nepal have exclusive jurisdiction over any dispute, subject to the dispute-resolution process below and to any mandatory rights you have under applicable law.

32. Dispute Resolution & Grievance

- 32.1 If you have a concern or dispute, please first contact us so we can try to resolve it. Our Grievance & Dispute Resolution policy explains how to raise a grievance and what to expect.
- 32.2 You agree to attempt in good faith to resolve any dispute informally before starting formal proceedings. This does not affect any mandatory right you have to approach a competent authority.

33. Force Majeure

- 33.1 We are not liable for any failure or delay in performing our obligations caused by events beyond our reasonable control, including natural disasters, power or internet outages, acts of government, strikes, or failures of third-party providers.

34. Assignment

- 34.1 You may not assign or transfer these Terms or your Account without our prior written consent. We may assign these Terms, in whole or in part, to an affiliate or in connection with a merger, acquisition or reorganisation.

35. Severability & No Waiver

- 35.1 If any provision of these Terms is found unenforceable, it will be limited or removed to the minimum extent necessary, and the remaining provisions stay in full force.
- 35.2 Our failure to enforce any provision is not a waiver of it, and no waiver is effective unless made in writing by us.

36. Entire Agreement & Changes to These Terms

- 36.1 These Terms, together with the policies they incorporate, are the entire agreement between you and us about the Service, and replace any prior agreement on the same subject.
- 36.2 We may update these Terms from time to time. The current version is always the one published at shareroockets.com/legal/terms-of-use, and the effective date at the top reflects the latest revision.
