1. Purpose of This Policy

This Trademark Policy explains how you may - and may not - use the names, logos and brand marks that identify ShareRocketPro. It forms part of, and must be read together with, our Terms of Use and Copyright & IP policy.

- 1.1 ShareRocketPro is an educational paper-trading simulator operated by Share Rocket Pro Pvt. Ltd. Our name and look are how learners recognise and trust us. This policy protects that trust.
- 1.2 By using our marks in any way, you agree to this policy. If you do not agree, do not use our marks.
- 1.3 "You" means any individual or entity that uses, or wishes to use, any of our marks, whether or not you use the Service.

2. Our Marks

The following are trademarks of Share Rocket Pro Pvt. Ltd., whether or not registered:

- 2.1 Our marks include, without limitation:
 - a. the names "ShareRocketPro" and "Share Rocket Pro" and their logos;
 - b. the ShareRocketPro brand mark;
 - c. any distinctive taglines, wordmarks, icons, colour treatments and other brand elements we use to identify the Service.
- 2.2 Together we call these our "Marks". Rights in unregistered marks are protected by law in the same way as registered ones.
- 2.3 We may add to, retire or change our Marks at any time. The current, approved forms are those we publish or provide to you.
- 2.4 "Lacspace" and the Lacspace logo, shown as the technology-partner credit, are trademarks of Lacspace Corporation Pvt. Ltd. and are not our Marks. Their use is governed by Lacspace's own terms at lacspace.com/legal.

3. Ownership & Goodwill

- 3.1 All rights in our Marks, and all goodwill associated with them, belong exclusively to Share Rocket Pro Pvt. Ltd.
- 3.2 This policy does not transfer or license any right in our Marks to you. Nothing you do - including any permitted reference - gives you ownership of, or any interest in, our Marks.
- 3.3 Any goodwill that arises from your use of our Marks accrues solely to Share Rocket Pro Pvt. Ltd. You must not challenge, or assist anyone in challenging, our ownership of the Marks or register anything confusingly similar to them.

4. Permitted Referential Use

You may make honest, factual reference to ShareRocketPro without our permission - this is called nominative use - provided you follow the rules below.

- 4.1 You may use the word "ShareRocketPro" in plain text to refer truthfully to our product or company - for example, to state that your content, tutorial or integration "works with ShareRocketPro" or "is compatible with ShareRocketPro".
- 4.2 When you make such a reference, you must:
 - a. use only as much of the Mark as you need, and only the word mark in plain text - not our logos or the candle brand mark;
 - b. make clear that you are referring to, and are not, ShareRocketPro;
 - c. not imply any partnership, sponsorship, endorsement, affiliation or official status that we have not granted in writing.
- 4.3 Always spell and capitalise our Marks correctly ("ShareRocketPro", "Share Rocket Pro"), and use them as

adjectives, never as verbs or in the plural or possessive form of a common noun.

5. Prohibited Uses

You must not, and must not permit anyone else to:

- 5.1 Use any of our Marks - or anything confusingly similar - in the name of your product, company, application, service, social-media account, domain name or URL.
- 5.2 Alter, recolour, distort, animate, translate, abbreviate or combine our logo or candle brand mark with any other name, mark or element, or recreate them in a different style.
- 5.3 Adopt a name, logo, look or feel that is confusingly similar to any of our Marks, or that is likely to cause confusion about the source, sponsorship or affiliation of your goods or services.
- 5.4 Produce, sell or distribute merchandise, apparel or other goods bearing our Marks.
- 5.5 Use our Marks in a way that implies partnership, sponsorship, endorsement, certification or approval by ShareRocketPro or Share Rocket Pro where none has been given in writing.
- 5.6 Use our Marks in connection with anything unlawful, misleading, defamatory or that breaches our Acceptable Use policy, or in a manner that disparages or damages our reputation or goodwill.
- 5.7 Use our Marks as, or as part of, a keyword, metatag, hashtag or advertising term in a way designed to divert users or suggest an association we have not authorised.

6. Requesting Brand Assets or Permission

- 6.1 If you would like to use our Marks in a way this policy does not already permit, or you need official logo files or other brand assets, ask us first at legal@sharerockets.com.
- 6.2 Tell us who you are and exactly how, where and for how long you intend to use the Mark. We review requests case by case and may grant, refuse or condition permission at our discretion.
- 6.3 Any permission we give is limited to the specific use we approve, is non-exclusive and non-transferable, and may be withdrawn at any time. You must use the exact asset we supply, without modification.

7. Press & Media Use

- 7.1 Journalists, reviewers and commentators may use the ShareRocketPro word mark and, where appropriate, our logo to report on or refer to ShareRocketPro, provided the use is truthful, non-misleading and does not imply endorsement of a product or opinion.
- 7.2 When using our logos for editorial purposes, please follow our brand guidelines at lacspace.com/brand, which set out approved forms, spacing and colours.
- 7.3 For interviews, official assets, or questions about media use, contact legal@sharerockets.com.

8. Third-Party Trademarks

- 8.1 "NEPSE", stock symbols, company names and other third-party marks that appear on the Service belong to their respective owners. We claim no rights in them.
- 8.2 We use such marks only nominatively, to identify securities and markets for educational purposes. ShareRocketPro is not registered with, licensed by, affiliated with or endorsed by SEBON, NEPSE or any listed company, as explained in our Regulatory & Compliance policy.
- 8.3 Nothing on the Service should be read as claiming ownership of, or sponsorship by, any third-party mark, and your use of the Service gives you no right in those marks.

9. Reporting Trademark Misuse

- 9.1 If you believe our Marks are being used without authorisation, or in a way that infringes our rights or confuses users, please tell us at legal@sharerockets.com with enough detail for us to investigate.

- 9.2 If you believe content on the Service infringes your own trademark rights, you may also use the notice-and-takedown process set out in our Copyright & IP policy.
- 9.3 We investigate reports in good faith but do not guarantee any particular outcome or timeframe.

10. Enforcement

- 10.1 We take the integrity of our Marks seriously. Where we reasonably believe you have used our Marks without authorisation or in breach of this policy, we may require you to stop the use, correct it, or remove the offending material.
- 10.2 We may pursue any remedy available to us at law or in equity, and may report the matter to the relevant authorities or platforms. Our failure to act on any misuse does not waive our right to act on it, or any other misuse, later.

11. Changes to This Policy

- 11.1 We may update this Trademark Policy from time to time. The current version is always the one published at sharerockets.com/legal/trademark, and the effective date at the top reflects the latest revision.
- 11.2 Material changes will be notified through the Service or by other reasonable means. Continued use of our Marks after a change means you accept the updated policy.

12. Contact

- 12.1 Questions about our Marks, permission requests, or reports of misuse: legal@sharerockets.com.
